 @noelkm

What is Hacktoberfest?

hacktoberfest.digitalocean.com

- Month long celebration of open source
- October 1st – October 31st
- 2019: Digital Ocean + Dev.to
- Celebrate and encourage open source contributions
- Connect contributors with projects
- Guides, tutorials, videos, meetups...
- Not just for developers!

#hacktoberfestmtl

 @noelkm

Origins of Hacktoberfest

Beginning: 50 commits, 768 participants

#hacktoberfestmtl

 @noelkm

Origins of Hacktoberfest

Beginning: 50 commits, 768 participants

Now: switched to PR model...

- Pull Requests from all participants: **412,324**
- Participating repositories: **106,582**
- Day with the most PRs: **20,300** on October 2nd
- Repo with most PRs: FreeCodeCamp with **12,090**
- Participating Countries, based on addresses: **143**
- **46,088** completions

#hacktoberfestmtl

 @noelkm

Hacktoberfest values

Everyone is welcome.

Quantity is fun, quality is key.

Short term action, long term impact.

#hacktoberfestmtl

 @noelkm

- Tests

Where to get started?

- Projects you use everyday
- Look for the label *hacktoberfest*
- Languages/tools you know
- *'First timer'* issues

#hacktoberfestmtl

 @noelkm

How to participate

- Register at **hacktoberfest.digitalocean.com**
- Open 4 pull requests to public GitHub repositories
- Receive t-shirt and stickers

* T-shirts and stickers award to first 50,000 participants that complete the challenge

#hacktoberfestmtl

 @noelkm

Why?

#hacktoberfestmtl

Having a code of conduct!

#hacktoberfestmtl

 @noelkm

Growing your open source
communities

Good ways to communicate...
bad ways to communicate

#hacktoberfestmtl

 @noelkm

Growing your open source communities

- Purpose
- Reporting Guidelines
 - How to report
 - Next steps
- Enforcement
 - *Nice to have a code of conduct – but how will I know you will walk the walk?*
 - Procedure → Assessment → Responding
- Scope
 - Where does it apply?
